RE: Monument Stucco

TO WHOM IT MAY CONCERN:

Monument Stucco is currently working for Rivermar Contracting.

I am quite impressed by Monument Stucco and their ability to complete all work assigned to them. Their work is always thorough and performed in a timely manner.

Overall, Monument Stucco is very conscientious and professional. I certainly believe they have what it takes to get the job done.

I would recommend Monument Stucco to other contracting companies for stuccowork. Please feel free to contact me.

Sincerely,

Douglas R. Cirks
Project Construction Manager
