**To whom it may concern:**

Monument Stucco, Inc. (Brad Bowen) has become one of our preferred subcontractors since May of 2004. They have been a large part of our construction accomplishments over the last (3) three years. Their work on High Rise and Mid Rise buildings has far exceeded our expectation when it came to performance in a timely and professional manner.

The owner (Brad Bowen) and his employees have a great deal of knowledge concerning the stucco industry and continuously exceed in meeting our expectations.

We gladly recommend Monument Stucco, Inc. (Brad Bowen) for your consideration.

Sincerely,

Franklin T. Strader
